

Thank you for being part of “Brokers for Good”

As a modern mutual, we value supporting our broker partners, customers and communities. Earlier this year, we held our bi-annual grant matching program, Brokers for Good. Our Brokers for Good program provides you the opportunity to request up to a \$10,000 match for a charitable organization of your choice.

We'd like to thank everyone who took the time to participate. We were inspired by the significant community impact being made by our brokers. Through your partnerships, Gore Mutual matched donations for a total of \$108,000 to 28 charities.

We appreciate your support in helping us create a positive impact in our communities. Stay tuned for more details regarding our Fall Brokers for Good Matching application cycle.
