

Introducing the 2026 Gore University Course Catalogue

Gore Mutual is excited to announce the launch of our [2026 Gore University Course Catalogue](#), your central resource for insurance education, skills development, and professional growth. Designed specifically for brokers, Gore University delivers flexible, high-quality learning experiences to support your expertise in today's evolving market.

What's inside the 2026 catalogue

The course catalogue includes a comprehensive range of learning opportunities across multiple areas:

- Foundational learning pathways covering essential insurance concepts and broker fundamentals
- Advanced technical training in underwriting, risk assessment, commercial lines, and policy-specific knowledge
- Leadership and client relationship skill-building to support elevated advisory roles
- Process, systems, and job aid modules to strengthen operational efficiency
- Flexible delivery formats including self-paced eLearning, virtual instructor-led sessions, in-person workshops, and microlearning resources

Course highlights

A diverse set of offerings is available, including:

- Mastering the Art of Submission: Auto Edition
- Ontario Insurance Essentials: Navigating the OAF 1 Form
- Fundamentals of Commercial General Liability
- Personal Property Insurance Essentials
- Geocoding 101
- Guidewire Cloud – Broker Education & Engagement
- RIBO and BC Accredited courses
