

## We've extended our Brokers for Good deadline to September 30

Hello,

Earlier this month, we announced that our Brokers for Good Program was open for submissions. Part of the reason that this program exists is to provide support when our communities need us most.

In light of recent significant environmental events impacting Canadians, **we are extending the submission deadline for our Brokers for Good Program to September 30th.**

Our Brokers for Good Program offers our broker partners the opportunity to apply for up to \$10,000 in matching funds for the charities that matter most to you, and that align with our Foundation's three focus areas: Poverty, Equity and Climate Change.

Questions about the application process? [Check out our tip sheet](#) for more information or [contact our Purpose team](#), who are available to answer any questions you have.

Sincerely,

Gaby Polanco-Sorto
