

Gore Recognized by Greater KW Chamber for Business Excellence

We're thrilled to share that Gore has been recognized at the Greater KW Chamber's 2026 Business Excellence Awards, presented by Cowan Insurance, winning Business of the Year (over 50 employees), an honour celebrating organizations that excel in leadership, performance, and community impact.

The award highlights companies that demonstrate innovative and proactive leadership, measurable success as both a business and employer, and a strong commitment to corporate citizenship and community betterment. This recognition reflects Gore's ongoing dedication to building a resilient, responsible organization while supporting the communities where we live and work.

It also reflects the strength of the partnerships that power our business every day. Our broker partners are at the heart of what we do, and we're proud to work alongside brokers who share our commitment to customers, community, and delivering exceptional service. Together, we continue to raise the bar for our industry and the people we serve.

Receiving this honour in our final year under the Gore brand makes it particularly meaningful. It reflects a 187-year legacy, built alongside broker partners who have been central to our success.
