

Have you completed the Gore Mutual Broker Engagement Survey?

As we shared earlier this month, we're committed to building a stronger partnership with our broker community. That's why we launched our first Broker Engagement Survey.

This is a key opportunity to help shape the future of our relationship with you. As we prepare for our proposed merger with Beneva, your feedback will directly inform how we evolve our strategy, service, and broker engagement approach.

The survey is quick and easy to complete, taking just 15-20 minutes of your time. It's conducted entirely online, and all responses are completely anonymous.

Complete the survey by June 30 and you'll be entered into a draw to win one of five \$500 Amazon gift cards.

[Take the survey now.](#)

Thank you for your time and input. Your voice is essential to helping us deliver on our promise of *Insurance that does good.*

If you have any questions, please reach out to your Business Development Manager or gorecommunications@goremutual.ca.
