

I am writing to share that **Kate Hogan, Vice President, Marketing, Communications and Distribution**, has decided to pursue a new opportunity and will be leaving Gore Mutual on July 7, 2026.

On behalf of Gore Mutual, I would like to thank Kate for her contributions and wish her every success in the future.

While this marks a leadership transition, it does not change our strategy, our integration plans or our commitment to the broker channel. We remain focused on providing **consistent support**, maintaining **strong relationships** and delivering the **service and partnership** you expect from Gore Mutual.

This leadership role remains an important position for our organization as we continue to execute our strategy and strengthen our broker relationships. We will begin the process of recruiting for the role shortly.

As we move closer to the next phase of integration, we look forward to providing you with regular updates on upcoming changes to our brand, products and processes, ensuring you have the information, tools and support you need well in advance of changes beginning to take effect in January 2027.

In the interim, our distribution leadership team remains fully in place and committed to supporting you. **Stephen Corea, Director, Broker Distribution, Ontario; Jessica Wilson, Director, Business Development, Western Canada**; and our Business Development Managers across the country will continue to work closely with brokers to ensure a seamless experience.

Thank you for your continued partnership and support as we move forward together.
