Thank you for connecting with us at IBAOcon 2026

It was great to connect with so many members of Ontario's broker community at IBAOcon 2026.

This year was an especially meaningful one for Gore Mutual and Unica Insurance as our teams came together on the trade show floor. Throughout the event, our Business Development Managers, Underwriters and leaders had the opportunity to connect directly with broker partners, answer questions, and continue conversations about our integration and our shared future as we prepare to become Beneva.

As Gore Mutual and Unica Insurance move forward together, our relationships with brokers remain central to the journey ahead. IBAOcon gave us another opportunity to hear directly from our broker community, strengthen those relationships and continue sharing what's ahead.

Thank you to everyone who stopped by our booths, connected with our teams or joined us during IBAOcon. We appreciate the conversations, questions and perspectives you shared with us.

If you have any questions about our upcoming integration with Unica under the Beneva brand, please refer to our general or brand FAQs for brokers.

We look forward to continuing the journey together.
